Personal Data

Sex: Female

Birth day: 1/10/1994

Place of Birth: Damietta Governorate - Egypt

Religion: Moslem

Marital status: Single

Nationality: Egyptian

Objective:

Chemical engineer , seeking a challenging opportunity in Oil-Gas petrochemicals and water treatment industries where I can utilize my skills and knowledge . Enhancing my experience and interpersonal skills . Have ability to travel anywhere and anytime.

Academic Qualification:

B.SC. of Chemical Engineering , High Institute of Engineering and Technology, Damietta University 2017.

Grade: Excellent (A+), with GPA : 3.58.

Rang on class: 5th of my department .

Graduation project :

Name of project: LNG process (Liquefied Natural Gas) .

Case study of project: CEGAS COMPANY.

Year of graduation project : 2016 – 2017.

With grade: Excellent (A+).

Main Academic subjects:

- ✓ Fundamental of chemical engineering .
- ✓ Oil and Gas processing .
- ✓ Oil Ref. industry .
- ✓ Petrochemicals industries .
- ✓ Plant design and simulation .
- ✓ Water treatment .
- ✓ HSE.

Field Experience:

- ✓ Work experience in “falcon Egypt “ foe steam boilers water treatment, cooling towers, and industrial sewage stations, constructing these stations and treating them with chemicals for a period of two years of experience.
- ✓ The Egyptian Natural Gas company “GASCO” From the period of 26th Jul 2015 to 13th Aug 2015 in GASCO Natural Gases Damietta.
- ✓ Damietta Water Station from the period of 16th to 30th Aug 2015 .
- ✓ KAPCI COATING - Port Said Governorate from the period of 1 to 20th Aug 2016 .

Training Courses

Bachelor of Chemical Engineering (BS.C) High Institute of Engineering and Technology, Damietta University 2017

- Certificate of “Advanced Natural Gas processing Course “during the period of 27th Jan 2017, Trainee No. : 400008 Trainer No. : 2000 .
- Certificate of “Process Simulation using Hysys “during the period from 12th to 27th June 2015 in Egyptian Company for Engineering Training – Mansura Governorate.
- Certificate of “LNG Technology “in the period of 7th Sep 2016 in (I learn academy center – Damietta).
- Certificate of “Reading Drawings & Diagrams: Basic Diagrams and Symbols” From the period of 24th to 27th July 2016 in (I learn academy center – Damietta)
- Certificate of “Process Calculation and Simulation Using Aspen HYSYS V8.3” From the period of 12th to 16th July 2016 in (I learn academy center – Damietta).
- Certificate of “Oil and Gas Processing Equipment “From the period of 27th Jun 2016 to 3rd Jul 2016 in (I learn academy center – Damietta).
- Certificate of “Natural Gas Processing & Conditioning “From the period of 13th to 18th Jun 2016 in (I learn academy center – Damietta).
- Certificate of:” HSE in Oil, Gas and Petrochemical Industry “from the period of 27th Jun to 3rd Jul 2016 in (I learn academy center – Damietta).
- Certificate of “Chemical & Petrochemicals Engineering Diploma “Natural Gas processing & Conditioning Oil and Gas processing Equipment Process Calculation and Simulation using Aspen Hysys V8.3 Reading Drawings & Diagrams: Basic Diagrams and Symbols HSE in Oil, Gas and Petrochemical industry.
From the period of 13th Jun to 31rd Jul 2016.

Language:

Arabic: Mother tongue.

English: Very Good written and spoken.

SKILLS:

- ✓ Software skills [office - Photoshop]
- ✓ Design programs (Aspen Hysys) .
- ✓ C## program.
- ✓ Work under pressure.
- ✓ Work in team .
